## Your complete guide to this issue's **BONUS VIDEOS**

This issue comes with 10 full-length bonus videos.

As always, these videos are totally free with absolutely no strings attached. You can stream them on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take 18eighteen anywhere you go.

Here are the highlights of this issue's bonus scenes.

Moretta Coxxx is everything you want in a teen girl. She has braces and is rail thin, flat and super horny. Moretta removes her panties so you get an unobstructed view of her working her pussy and cumming hard.

Linda Sweet is as naughty as they cum. Not only does this redheaded student fuck her teacher in front of the whole class, she squirts too!

Iosie Deville savs she's nervous about her first time on-camera. But she seems pretty comfortable tweaking her pink nipples and slowly stripping off every article of clothing. Josie talks dirty while stroking her slit and cums while stuffing her twat with a toy.

Halle Von gets her trimmed bush fucked by a big cock. She may be small, skinny and flat, but there's no need to worry about breaking her. Halle likes it rough; that's when she moans the loudest and cums. After this proper fucking, her cheeks are flushed and her chin and lips are cum glazed.

Candace Cage has perfected the

"come hither" look. She looks directly into the camera while massaging her little tits. Enjoy the action and pretend that instead of a toy it's your cock drilling her grade-A pussy!

Abby Paradise's butthole is paradise. That's what leads her and her teacher to do something wildly inappropriate: anal sex. Don't think that there isn't any teaching going on though. He's helping her work out advanced techniques in deep-throating, rough masturbation and ass play.

Kita Zen's pussy is ready for action. She starts off by spreading her horny twat so you can see how tight she is, then she delicately rubs her slit and clit. Next, it's time for her to ride her dildo so she can cum along with you!

Gigi Rivera gives us a long, sensual tease before fucking on-camera. She handles the pounding from our stud like a pro, yelling for him to fuck her harder. It's hard to believe Gigi just turned 19 when this scene was shot.

Nychole Mac has big boobs and a tight cunny. She squeezes her tits and then moves her attention to her pussy, fingering it and then using a toy. Lots of intimate, close-up shots.

Trinity Rae needs to learn CPR, but her instructor doesn't have a dummy. That means it's his mouth she has to blow into and his chest she has to compress. Of course, the mouth-to-mouth leads to mouth-to-cock and then cockto-pussy. Now Trinity knows how to save a life and how to catch a big load of cum in her mouth!

#### A Review of Vol. 24 No. 5

Dear Virgin Territory,

I finally got 18 eighteen Vol. 24 No. 5, an issue with a nice blue cover and sexy covergirl. So first off, the cover-

girl Britt has nice blue eyes. She's sexy and has some nice pictures on pages 20, 22 and 23. Bring her back for hardcore. Next, Reese the new girl is fucking cute. I

love the pic on page 29 of her flashing her tits, and I also like her pictures on page 30 in the bottom corner, page 31 of her doing the splits, and page 35. Please bring her back to do a hardcore set as I want to see her get covered in cum. Next is Rharri. I don't see why she is in 18eighteen magazine; she was in *Naughty* Neighbors. Please keep the girls in the proper magazine. Still, she is a nicelooking girl with some okay pictures and a good cum shot picture. Next is

Asia. This is a girl I really like and want to see in hardcore. She is fucking sexy. I really like all her pictures, especially on page 47 and page 48. I love the centerfold pic but no cum shot picture or is that it? Did the guy cum or not? That is the worst cum shot picture ever. Talk about a big let down.

Serina — I don't know what to say about her. She is okay and has some nice pics on the bottom of page 65 and pages 66 and 69. And also she has nice tits. Next, Ana is a girl who was in 18eighteen before. Nice girl but I'd rather see a new model. Summer is another new girl, and yet again I don't know what to say about her. She is okay and has some good pictures on pages 80 and 82. Next is Jessica, and I finally get to see her do

hardcore. She's very cute with a good set. I like her pics on page 91 but what happened with her cum shot? It's small and far away.

It was nice to see the five-way again with Layla, Mimi, Ashley, Jessica, and Kody in the Lezzies on the Loose special. Bring back more Black girls like Ashley Johnson. It was nice to see Ashley Gracie, Alicia Avery, and Alyssa Star again, but I prefer to see them with a guy in a threesome like Kyanna and

Stephanie from Holiday '08, Alice and Ashley from July '06, Elizabeth and Roque from June '06, Missy and Alexa from Jan. '08, or Sindy and Jodi from Nov. '13.

Overall, it was not my favorite issue of 18eighteen. There were some nice girls and some poor hardcore cum shots with pictures that were far too small. The highlights were Britt and Reese.-J. M., Falkirk, Scotland

Dear J.M.,

We're sorry if the issue didn't fully meet your expectations. Britt's hardcore was in the 18eighteen Vol. 25 No. 1 issue with a full-page cum shot. Reese's hardcore is coming up soon, and we'll be sure to include a large cum shot.

#### Asia at Your Service

Dear Virgin Territory,

Asia's pictorial provided me with good jack-off material. If I hired a babysitter like her, I wouldn't be able to hold back either. That's probably why my wife insists on hiring 60plus-year-old women to watch our kids. Asia is so adorable, and all her penetration shots are outstanding.

She has a playfulness to her that makes it seem like she's fun to fuck. I can't wait to watch the video version of this scene and blow a huge load or two. Believe it or not, a girl like Asia can make me cum twice. Sadly, I can't say the same is true for every woman, but for the special ones, it is so. Could you do a similar type of shoot but where the girl is a housekeeper/cleaner? Or better, a maid at a hotel. I feel like you may have done shoots like this in the past but I can't remember specifically. I've always had something of a fetish for cleaning ladies but when they are on the younger side, not the crone types. I think it might have something to do with the uniform.-T.B., via email

Dear T.B.,

We have done maid-type shoots in the past. For example, maids Mya and Kinzie who got it on with MILF Janey in the Holiday '04 issue, Amai Liu from Dec. '08 and Sadie from July '14.

#### Loveable Lips

Dear Virgin Territory,

Reese is a cutie, and it's always a bonus when a girl is flexible. I love her big, innocent eyes and her big, juicy labia. A lot of guys tend to drool over tiny labia that is tucked in, but I love some big flappers that I can really wrap my lips around and

suck. I find large labia very erotic, maybe similar to the way other guys like big tits. I love pussy, so when there's more pussy to love, that's the best. On page 30, there are photos of Reese standing up and lifting her leg and bending over to touch her ankle. In both photos, you can see her labia hanging down, ready to be played with and sucked, and that sight got me rock hard. There are some great photos of her flappers spread wide, but what I would love to see is a bottom-up shot of her in the split on page 31 with her lips hanging down. I can't wait to see her in hardcore so I can see those meaty pussy lips split by a big cock and that sweet, innocent face of hers covered in cum.-T.K., Altamonte Springs, Florida

Dear T.K.,

We've included a bonus photo of Reese and her lippage for you, and don't worry, you'll see a big cock parting those luscious labia soon.

#### Serina's Got a Wild Streak

Dear Virgin Territory,

Serina definitely looks like she's

"down for whatever," as the title of her layout says. We don't often see such dirty photos from your girls, especially in a solo pictorial. Serina is not just spreading her pussy, but stretching it open for us in the

delightfully raunchy photo on page 66. She doesn't hold back when it comes to showing off every inch of her bod, and I can imagine she doesn't hold back when it's time to fuck. either. I never really got the appeal of the whole innocent and inexperienced thing. I like girls who are bold and slutty like Serina. They're definitely more fun in the sack. Now I just have to wait for her hardcore layout and scene to come out so I can see what she's got. I get the vibe like she's the kind of girl who eats ass, so I guess we'll see. I'm looking forward to cumming more to her.-V.S., Washington, D.C.

Dear V.S.,

We don't know for sure if Serina likes to eat ass, but it wouldn't surprise us if she does. We do know that she likes to get her ass eaten, which happens in her soonto-be-published hardcore set. In the meantime, enjoy this bonus photo of her.

#### Summer Loving

Dear Virgin Territory,

I have a feeling that we can expect great things from Summer, things that involve penetrating her butthole. After all, she double penetrated herself with toys in her pictorial in the Vol. 24 No. 5 issue. I imagine that getting a cock in her ass isn't that much of a stretch from a masturbato-

ry DP. I also feel like maybe we'll see her in a boy-boy-girl pictorial. I'll be happy just as long as she has something in her ass. I'm a big fan of asses and anal. And with her dimples, tiny tits and round ass, Summer is the

perfect girl to show getting her butt stuffed.-E.I., St. Paul, Minnesota

Dear E.I.,

You can expect great things from Summer. We don't want to give away too much, but one of your predictions is spot on. Stay tuned for her upcoming hardcore pictorial.

### **MOVIE PREVIEW**

# 5 Slutty Teens Suck & Fuck Older Men

#### Violet might be the perfect girl.

This Cuban-Arab cutie is tiny, standing at only 4'10", has a great rack and, get this, loves working on cars. Her ideal dates are going to a racetrack or auto show. "I'm not really into school. My passion is cars, and once I graduate, I hope to work on my own car. I also love driving fast; it turns me on."

#### Have you had sex in a car?

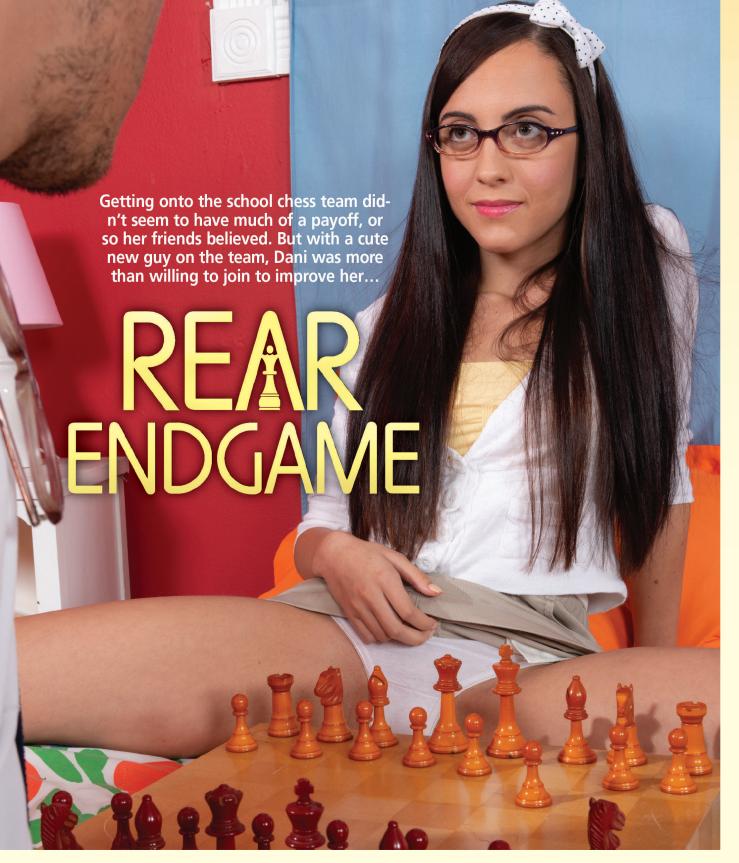

"In a car, on the hood, pressed up against the door and in the bed of a truck. I prefer to have sex in a place that has a little more room, but it is hot to give roadhead. One time a guy fingered me while I was driving, and I creamed all over his hand. I had to pull over immediately and ride him."

#### By Joe Monks

"I need his cock," Dani said, leaning close to Patrice, who was sucking her lemonade straw like she was giving it head. 'Trice gave her a thumbs up. But, before she could say anything, Dani went on.

"In my ass."

"So," 'Trice said. "You decided

then, huh? You wanna go all the way up the back stairs?"

Dani nodded like she'd just been offered a suitcase full of fifties. She glanced around, making sure no one was close enough to hear. Just her bestie. "I tried it," she whispered, raising her eyebrows.

"No way! You mean...with—"

"That thing from the catalog." Dani interjected. "It's big, yeah, but, with enough lube? I can handle it. Well...most of it."

"Girl, that thing barely made it up my pussy!" 'Trice said with a whistle. "And you sat on it?"

"Nah," Dani admitted. "I couldn't straddle it, not like that. It's a mon-

ster. Wish I'd had the extra ten bucks for the vibrating version, though. If that thing took batteries? I might've cut out today!"

Patrice giggled, giving her nowempty glass a dirty-sounding *shlurp*. She gestured across the cafeteria.

"Then you wouldn't have seen the target for Mission: Ass-possible," she reminded her. Dani shrugged.

"I'd have seen him later," she stated confidently, a big smile plastered on her face. 'Trice was intrigued.

"Whoa—after school? How?"
Dani pulled a flyer out of her pocket. Tryouts for the chess team were scheduled for that afternoon. 'Trice didn't know her gal pal to be competent at anything beyond Mario Kart on Xbox, though. Well, and getting laid.

"What do you know about chess?"

"Actually, I'm not bad," Dani said.

"My dad taught me a long time ago, and I still play online. Besides, I'm not trying to get to a tournament—I just need to make the team."

Patrice considered that. Scott, a couple tables across the way, was studying his math textbook. He was nerd through-and-through. But he was cute as fuck, and, according to Jenna Clarke, who had gym with him, he had a big cock. She'd only seen him with his gym shorts on, but he'd gotten hard after hitting a triple and, it would seem, the success with the bat had stiffened his own. In Jenna's glowing terms, "That boy would be a tough deep-throat."

Fuck getting to third base, though, Dani had thought, replaying Jenna's retelling of events on Facetime. Dani had four classes with the new kid and had struck up a quick friendship. He had to know she was interested, 'Trice believed; nobody was that clueless. But so far, progress had stalled. Dani had been a little concerned that he had his eye on Jenna and those big boobs of hers. But he hadn't made a move when the opportunity arose in gym, where he was packing shorts and she was stuffing a bra to the point of bursting, so... Dani's underwhelming status in the titties department wasn't necessarily working against her. She hoped.

Dani concluded it was the nerd thing. Not her barely-there boobs, not her less-than-salon-stylish dark hair and not her attitude in class. In gaming terms: nothing she couldn't...overcum.

"I can get him," she declared. "He's going down."

'Trice opened up a Kit Kat. "Going down or going 'round back? Are you saying he's gonna...?"

Dani nodded. She extended her hand, 'Trice took it.

"What's on the line this time?" she asked, hot for the terms. Dani met her eyes.

"The one with the batteries."

The pair bumped fists. Nothing new—they bet often. This time, though...Dani did not want to lose. That vibrating cock with the realistic balls and the veiny shaft was eight inches long, banana thick and took three AA batteries.

#### 

Mr. Lefferts was near retirement, Dani thought. Once you hit 100 didn't they force you to quit? He was setting up boards with five other students waiting. All boys. Dani figured she'd made the team just by showing

up.

Everybody noticed when she came in, Mr. Lefferts practically in shock. Dani wondered when he'd last had a girl tryout for the team. After handing in her sheet, everybody reached into a plastic bucket for a slip. Dani did her best to pretend not to fondle Scott's hand while hers was buried in the bucket. The look on his face, though, told her she'd made her first successful move

"Dani, you'll play Eddie. Scott? You're up against Jeff. And Andre, you'll face off against Sebastian."

Dani gave Mr. L credit for trying to make it exciting, but she was more interested in finding out if panties were part of the uniform. She believed she'd play far better sans undies. Just how short a miniskirt was allowed was her next concern.

She took her board as assigned and tried to remember all the tips she'd been cramming the past few nights. Unfortunately, not the tip of her dildo, but, that could wait. Scott blew Jeff off the board

fast. Sebastian won his first match, and, when Dani moved her knight into a position Eddie hadn't expected—boom. One-and-oh. She'd made it to round 2, and up next...

"Dani, you get, oooh. Scott."

She was okay with that. It didn't matter if she won or lost—there was still a third round. So, she played it for style and all the eye contact she could generate. When she took his rook and bishop in back-to-back moves, things suddenly looked iffy. Everyone was staring, including Mr. Lefferts. Thank goodness for the table, thought Dani. Her pussy was fucking dripping. Seeing Scott sweating a little? She'd have surrendered her queen if he'd offered to take her into the bathroom.

Unfortunately, he rallied and moved to two-and-oh. The finish drew applause.

"That was...some game," he said, finally looking at her.

"I'll getcha next time," she promised, leaning over the board so he

could peek down her loose-fitting top, braless nips practically poking through the fabric.

When she sat down to play Sebastian, Scott was the one who looked like he'd lost the match.

#### :12:11:61::12:11:1:61:

'Trice was looking to collect, and Dani was beginning to think she might. Another two weeks had passed, and thus far...no anal. No nothing, in fact. Still, it was a game, wasn't it? With one card left up her sleeve, she decided it was time to play it.

Saturday morning was the first match. Since Dani was the team's 4 seed, what better way to prepare than extra practice?

At her house.

With her parents out of town.

Okay, she told herself. Even buying the battery-powered orgasm-machine for 'Trice would be worth it, if she could just get some dick. She needed to get laid, bad. She'd been paying attention—obsessing, really—and, nerd boy wasn't dating anyone. Hadn't even hit on anybody. She'd

played him tough that first match. Tonight, it was time to turn up the heat. And, she was strategically ready.

"Where is everybody?" he asked, taking a seat at the table. Dani had set up the good board—her daddy's, with the marble pieces. It caught Scott's attention.

"Out," was all she said. "Want something to drink?"

She got him a cup and flipped a coin. It landed face up. The silhouette of a topless dancer looked back at him.

"Where'd you get that?"
"New York, last sum-

mer with Patrice. Fun trip."

Stammering, he shifted his attention to the pieces. Dani had him off-balance, just like she wanted.

"Ready for me to whoop your ass?" she asked, taking her seat. Her glass held an energy drink. He chuckled—the first time she'd seen him crack a little.

"I don't know about that," he said, settling in. "Just because you got my rooks last—"

"What're we playing for, then?" Dani pushed.

"Are you wanting to bet? Really?"
"Let me guess," Dani went on.
"You win, you want me to suck your cock. Maybe cum on my face?"

Scott looked like he'd just been tasered by cops. His jaw hung open.

"Okay, fine. If you change your mind and want me to swallow, just gimme a heads up. But—that's only if you win. If I win?"

"Whoa! Waitaminit! S-someone might come home!"

Dani lowered her head just a little, a wicked grin crossing her face.

"N-no one's coming home, are they?" Scott said, catching on.

"Now...I win," Dani continued.
"How about you finger my ass while sucking my tits, and I'll jack you off.
Fair? I mean, for game one, anyway."

"Ugh!" Scott protested. "Anal's gross!"

But...not out of the question, Dani noted excitedly, seizing the momentum.

"Aww, like you've had any," she teased, watching his face go red. She put a pawn into play and licked the energy drink residue from her lips.

"It's, just...you know," he said.

"Maybe I do, maybe I don't," she shrugged. "Maybe I want you to show me."

"Me?"

Bing-O! That had been it all along—a chronic case of nerd. No wonder the Moby Dick jokes she'd whispered in class hadn't gotten a better reaction. The note about the Pequod being cool because it was long and hard and carried seamen, though.... She'd thought that was a perfect opening for him.

Just like the one she had between her rapidly-dampening thighs.

"How much ass have you gotten, Scott? Be real," she pressed, putting a knight into action. It was an opening she'd spent the past five nights memorizing. Scott looked like she'd just declared checkmate.

"I, haven't really dated many girls," he admitted, looking crestfallen. Dani thought about swiping the

board onto the floor and yanking her panties down so she could pull his face into her pussy, but...she had a plan. She resolved to stick to it.

"Let me guess," she said, moving a bishop into the fray. "You're thinking about your dick in my mouth, aren't you? Got a good idea of what it'll sound like if I blow you, huh?"

She captured a pawn, running her tongue around its shiny head before wrapping her lips around it, adding: "Schlurp schlurp."

"Listen, Dani, uh, about that," he started. Dani cut him off.

"You wanna change the terms? Fine. To what? We 69, and I cum as many times as I can before I have to swallow your cum?"

"No! I didn't say that!" he cried. She had him flustered now. Pretty sure it was the dirty talk, she upped the ante, running a fingertip around her light brown nip-

ple, which was as hard as calculus.

"Hold on," she said, pretendingas best she could—to be offended. "Don't tell me you're one of those guys who doesn't eat pussy!"

"No, I, I do, it's just, just that, if, I mean, whoever wins, you don't have to-"

"Bishop takes rook," announced, staring him in the eye and amping up the pressure. "You win, you can fuck me. No rubber. Pull out early enough and I'll get on my knees and suck until you shoot down my throat, deal?"

Scott went pale. He was holding the single piece of hers he'd taken, the knight she'd sacrificed.

"And..." he said, breathing hard. "If you win?"

"When I win," she said, voice firm. "You let me spit all over that cock of yours, then you turn me around, bend me over and fuck my ass. No, wait. You don't just fuck it—you pound me from behind until you fucking flood it. I want you to empty your balls in me. Deal?"

She extended her hand. Quickly, he scanned the pieces. The game was close. Or so he thought. His confidence returned. They shook on it.

Then, Dani pulled her shirt off. Scott gasped, staring at her pale buds. So excited now, they were growing darker the harder they got. Dani could only guess about the boner Scott had, but she knew he hadn't expected this. Which was how she skated on through the next four moves in the progression.

Scott's glass was empty. She didn't offer to refill it. He was struggling, the grandmaster's 2005 championship strategy serving her well. The moves he made that were different, though, still presented a challenge. She needed him to bite on a bluff. He didn't.

"Ooh, sorry," she said, letting him take one of her bishops. She wiped off the top, which was sticky, then held up two fingers...equally damp.

"It's getting exciting," she said. "Doesn't bother you if I finger myself while we play, does it?"

She thought he might fall out of his chair. When he took the bishop, though, he left his thumb on the

## What are you gonna do now?

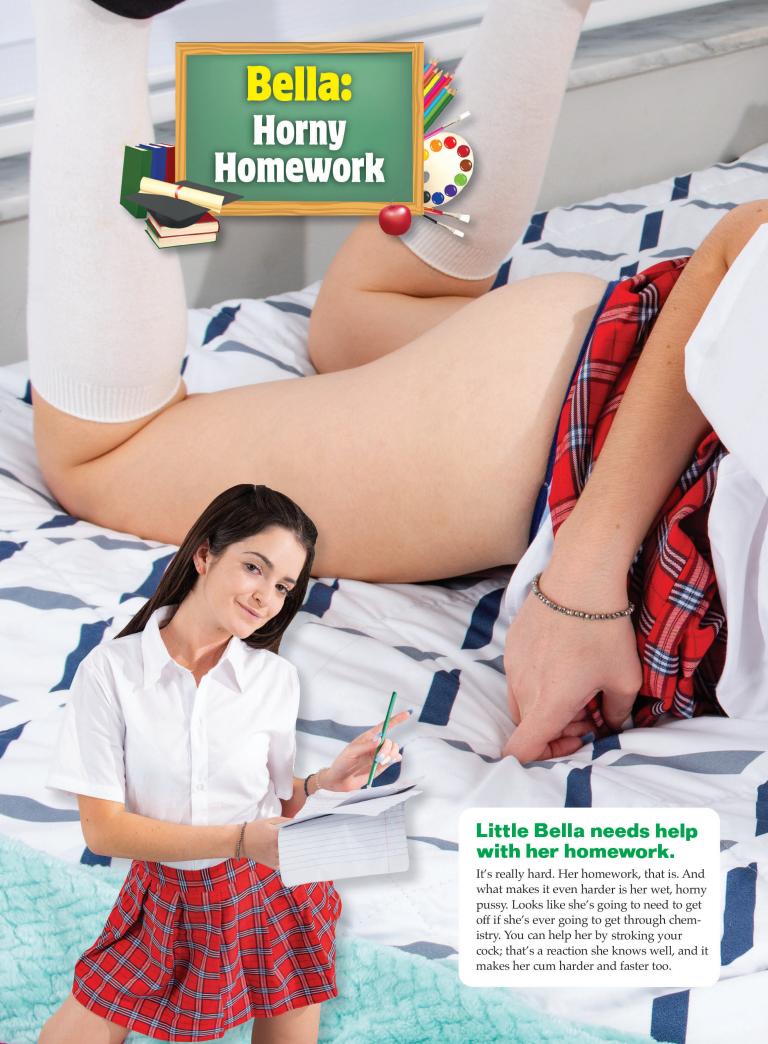

"I'm gonna caress and squeeze my boobs and rub my pussy while I think about my teacher's hard-on for me. I never noticed before, but he's kind of cute. Maybe now I'll start paying more attention in class. Maybe now I'll stop wearing panties to class."

### What if someone walks in?

"It's happened before, and the girl actually said, 'Good idea!' Then she started masturbating too. This school is full of locker room diddlers. I can only imagine what happens in the guy's locker room. Too bad we don't have coed bathrooms. I'd be sucking and fucking all day."

sticky spot. Next turn, she put another key piece in harm's way.

And tossed her bloomers on the table. Unable to help himself, he picked them up and stared at them. The impossible-to-miss wet spot was enormous. She thought he might want to sniff them. Shakily, he put them down, trying to will more fruit punch into his cup.

"They're pretty," he said. Then bit. "Checkmate!"

Stunned, he surveyed the pieces. Dani leaned over the board, teeny breasts flushed, socks long-ago kicked away. Her skirt was the lone thing separating her from being naked. She pushed the board aside, put her bare foot up on the table and flashed Scott her bald, pink slit

"Drop those pants," she commanded. "I got some dick to suck."

Her mouth wasn't as wet as she expected thanks to the energy drink, but she gobbled his cock, his hard-on expanding in her mouth, enough prelube gathering on her cheek for her to grease him up good.

Not quite as good as lube on the dildo, though. Would it matter, she wondered? Quickly, her ball play got him standing at attention, and suddenly, it looked like it did matter.

"You ready?" she asked, starting to turn around. From the look on his face, she wasn't sure he was willing to go through with it.

"Hold up," he said, eyes glued to her glistening snatch. She would've taken a hot pussy fuck, sure. She was horny as hell and needed to get off about a dozen times—but, he wasn't one to welch.

"I do this part," he said, grabbing her by the hips and roughly whirling her around. He lifted her up, spreading her feet, that massive cock of his forcing her into the table.

"Yahhh!" she howled, his palms grinding against her boobs. The tip of his spit-lubed prick negotiated its way between her curvy cheeks, zeroing in on her quivering butthole.

Should've brought the lube down here, she thought, just before Scott drove five stone-hard inches up her ass.

Her squeal was horror movie worthy—though the pleasure she felt put her right on the edge of a tableshaking cum.

"Hammer me, Scott! Drive that fucking dick all the way up me!"

Truth be told, Dani wasn't sure she could handle everything Scott had going for him in the junk department, but...she was ready to try.

He thrust, and Dani was almost ready to pass out. Cream gushed out of her, running down her legs like she'd peed herself. Handing her ass cherry to Scott had turned out to be a good idea in every way... except where the carpet was concerned.

She pushed back a little, gaining enough access to reach between her thighs and get a hold of her teammate's sloppy balls. Her gentle squeeze drew a long, low moan.

"Like that, do ya?" she asked, trying to get him to hold out just a little longer.

"It's awesome," he groaned, fingers digging into her hips. One more, she thought. If he could last another minute, she could climax one more time and then just hang on. He had to be on the edge of blowing his load, she was sure of it. Had to be.

"Finger yourself," he told her, pulling out nearly all the way. On his next downstroke, Dani bathed his

balls in slitsauce.

Dizzy now, head spinning, asshole feeling like it might get stretched out by Scott's throbbing meat hammer, Dani mewed. More full now than she'd been with the dildo she and Patrice had on the line, she struggled

to breathe. Dew leaked out of her gash, the stain on the floor growing wider with each cum.

"Yeah, like that. I can feel that," he told her as she inserted both her index and middle fingers up her cunt. Her nipples were sweat-glued to the tabletop, rubbing raw against the bare wood. She fucking loved it. Dani thought her pussy might have a seizure if Scott didn't jizz soon.

"I need you to cum!" she begged, looking back at him. For somebody who claimed not to be into it, he sure seemed to be having a good time nailing her corkscrew.

"Now, *ungh*—show me," he told her, giving her right rump cheek a squeeze. After a furious bout of fingerfucking, she removed them from her box, holding them up to show him. Cum strands hung between them. He grabbed her hand.

"This'll have to do," he told her, rubbing her fingers back and forth along her shoulder. Weird, Dani thought, but who knew? Maybe he liked seeing it on her skin.

That wasn't it, though. After letting her hand go, Scott reached around, clutched her in a bearhug and jabbed

his full length up her, his fist-thick base forcing the air from her lungs.

All so he could suck the snatch drippage off her back.

She squitched, trembling, the table the only thing holding her up. Nerdboy had just hit her with the hottest bit of sex she'd ever encountered. And...he still wasn't done.

The heat of him made her want to melt. His chest against her back was like being on the sand on a cloudless day. His grip kept shifting, until he reached her clit.

Now, he was the only thing holding her up. And, not with his hands. Her legs had gone numb. Neither sole was on the floor. It was like nothing below the waist was working. Nothing besides her lovehole.

Scott shifted. Now, every thrust lifted Dani off the floor. His pre-spooge had her back door oiled like a fuck machine. When the diddling of her clitty began, she pressed her forehead against the tabletop, hoping it could cool her down. It felt like barbecue coal.

"Scott, I-I'm good. Hell with the bet. Throw me on the couch and fuck my face. I can't l-last an-any longer."

"Can't do that," he said theatrically. "You won..."

She couldn't protest—there was no time. Scott erupted like a fire hydrant, a torrent of jizz boiling into her tailpipe and bringing her to another body-quivering climax.

"You went first last time!" he complained. Dani made a pouty face, getting him to give in. The doorbell rang.

"C'mon in!" she called, Patrice's arrival clearly a surprise to Scott.

"Look what I found on the porch," 'Trice said, handing over a box wrapped in plain brown paper. Dani's eyes grew wide.'Trice grabbed a chair. Scott smiled at her. She smiled back.

"What's the bet?" Dani said. Patrice eyed Scott.

"I say he can't make us both cum twice, after we each blow him for five minutes."

"What?"

"Oh, shush you, I'll see that and go you one better. Oh, Scott? Your

The girls kept talking. Scott decided they were serious. That left him one decision.

This time, would it be better to win or lose?
